Product Description

Car Front Backseat Organizer Car Trunk Seat Organizer Bag With Dedicated Tablet

Features

The main body is made from dense, high quality 600D polyester fabric.

All straps are stitched using tough X shaped patterns to withstand strong forces and prevent tears over time.

It is large capacity space and it helps you organize your trunk and make your trunk have more space to store a lot.

All hardware and seams are reinforced for a long lasting bag that still looks new after repeated use.

- Lock even the largest laptop inside a secure and padded compartment, Store large 3 ring binders in the organizer's deep pocket, Use the internal mesh storage for quick access to frequently used items.

Adjustable side straps at the bottom of the bag so you can secure the organizer when hanging it on the back or front seat. The bag will remain tightly coupled to the seat and won't hinder passengers on their way in or out.

Our trunk organizer can be easily folded and stored after finishing using it.

Unlike other models - our organizer includes a padded sleeve that wraps the headrest strap and makes carrying it extremely comfortable, even when heavily loaded. The strap length can also be easily adjusted for added convenience.
