Product Description

Heavy duty multi purpose bag

Ideal for any use: Coreflex multipurpose tool bag can be used as any bag you want it to be. It can be used as a travel bag, fishing bag and camping bag as well as daily use..

900D Polyester material and premium stitching

Made out of premium 900D polyester fabric giving excellent durability and longevity. With our high-end quality stitching, it adds permanence in the usage. Now you don't have to worry about any stitches breaking apart or your tool bag getting damaged.

PU Coated waterproof base and abrasion resistant

the PU coat at the base of the tool bag makes it water resistant and protects the inner objects from dampness, rust and water. As it is made of premium polyester material, it makes the tool bag abrasion resistant. It protects the objects placed in it.

Wide open mouth and capacious

the spacious bag allows you just the space you require. It makes your organization easier and quick. The inner metal frame provides firmness to the bag, making it durable and easy to place. It prevents the bag from collapsing in itself. The 14W X 8.5D X 11H dimensions give easy access to inner pockets and objects

Multi pockets for several uses

The pocket compartments outside and inside the bag makes it easy to put small objects in the bag without having to go through the panic of finding them in a spacious bag. The large number of pockets ,16outside,10 inside also allows quick access to the tools in case of emergency.
